On November 20, 2024 Missing in America Project Veterans Recovery program held its service for 17 unclaimed veterans and 2 spouse.

Mark Wells welcomed the guest to National Memorial Cemetery of Arizona. Cary Cartter offered our opening Prayer.

Daughters of the American Revolution read the names of our veterans. After the reading of names, United States Army Honor Guard along with the American Legion Post 41 provided full Military Honors and the rifle volley. The USA Honor Guard then presented the flag to the ex-wife and daughter of Paul Lomonaco.

Our guest speaker was Retired United States Army Cmd. Sgt. Major Rick Kriebert

Cary Cartter offered our closing prayer.

Overall, the mission was a complete success and had a extremely good attendance and support from the cemetery staff and local community.
