After Action Report Naval Hospital Bremerton 10/15/2024

On 10/15/2024 MIAP transported the cremains of four veterans to the Naval Hospital in Bremerton, WA. The cremains were turned over to the Burial-at-Sea Program Coordinator. The cremains were in the appropriate biodegradable urns. We provided a folded flag for each veteran. MIAP will be notified when their burial mission has been scheduled and, again, when it has been completed.

The cremains were recovered with cooperation from Dignity Memorial's Butterworth Funeral Home and the Lake View Cemetery, both in Seattle.

The three Navy Veterans served in the Civil War, WWI and WWII. The USMC Veteran served in the Korean War.

Respectfully submitted,

Thomas E. Keating
Washington State Coordinator
